Subject: Specific Plan 02 Athletic Facility Campus Parking Reduction – Conditional Use (CUP21-00030)

The Barber Valley Neighborhood Association (BVNA) supports the request for a reduction in parking stalls for the proposed Athletic Facility Campus at 3111 E. Barber Valley Drive. We agree with the applicant's rationale for the reduced parking based on the proposed user groups and the detailed parking calculations. We thank the applicant for their proactive outreach and are excited about this new activity and the new users from the Challenged Athletes Foundation and Mission43.
