Re: Millbrook and Warm Springs Ave intersection

Director Wong,

The Barber Valley Neighborhood Association (BVNA) is writing to you today in support of the Dallas Harris Elementary School PTO position, requesting a “safer school zone” for the new school that will be opening Monday, November 13th.

BVNA understands the timing for the recommended pedestrian hybrid beacon (PHB) to be installed at the intersection of Millbrook and Warm Springs is at least 4 weeks out (4 December), and we appreciate the temporary electronic messaging signs that were placed on Warm Springs Ave.

BVNA supports the Safe Routes to School and the Dallas Harris PTO request for the following:

- A PHB where the RRFB currently exists
- Crosswalk striping across Millbrook where the greenbelt connects
- Flashing school zone lights on Parkcenter Boulevard between Millbrook & Old Hickory
- A school zone notification sign posted on Millbrook

The safety of *all individuals* in our community is a top priority and we thank you for moving forward with a project to achieve this goal for our youngest members.

Respectfully submitted,

Barber Valley Neighborhood Association Board

*Officers*

John Mooney Jr, President  
Rob Stark, Vice President  
Gary Veasy, Secretary  
Katie Swain, Treasurer
